

Office Building Types

Skyscraper
40+ stories

High-rise
11–40 stories

Mid-rise
4–10 stories

Low-rise
1–3 stories

Elevator Access and Height Restrictions

Low-rise buildings may or may not be equipped with elevators, while mid-rise buildings most often are. Any building higher than 10 stories has elevators.

Note: Some communities have height restrictions on buildings over three stories.
