Contract

An agreement between competent legal parties to do or refrain from doing a lawful act in exchange for consideration

Express contract

A contract in which the terms are clearly stated orally or in writing

Implied contract

A contract formed by the conduct or actions of the parties

Bilateral contract

A contract in which both parties exchange promises

Unilateral contract

A contract accepted through performance rather than a promise

Executory contract

A contract in which one or more obligations have not yet been performed

Executed contract

A contract that has been fully performed by all parties

Valid contract

A contract that meets all legal requirements and is binding

Void contract

A contract that has no legal effect from its inception

Voidable contract

A contract that is valid but may be legally canceled by one party

Enforceable contract

A contract that may be upheld in a court of law

Parol evidence rule

A rule stating that a written executed contract overrides prior negotiations

Statute of Frauds

A law requiring certain contracts to be in writing to be enforceable

Statute of Limitations

A law limiting the time period to file a legal action

Offer

A definite proposal made with the intent to create a contract

Acceptance

Agreement to the exact terms of an offer

Consideration

Something of value exchanged by the parties

Legally competent parties

Parties who have the legal capacity to enter into a contract

Buyer representation agreement

A contract establishing an agency relationship between a buyer and a licensee

Listing agreement

A contract authorizing a broker to market and sell property

Land contract

A financing agreement where the seller retains legal title until paid in full

Option contract

A contract granting the right but not the obligation to buy property within a set time

Assignment

The transfer of contractual rights to another party

Breach

Failure to perform a contractual obligation
