

Reasonable Skill and Care Done Wrong: Transcript

Screen overlay: The Fiduciary Duty of Reasonable Skill and Care-What NOT to Do

Alex, potential homebuyer: Did you notice the dark stains on the living room ceiling? Do you think the roof leaks?

Rachel, real estate licensee: Nah. You know these older homes. The roof looked in great shape to me.

Alex: Well, you're the expert.

WRONG!

The duty of reasonable skill and care means you should never give opinions outside the scope of your expertise.
